This award is to acknowledge the Amateur Handled Golden (dog or bitch) that defeats the most dogs in AKC Licensed competition. The only wins counted will be those at the hands of the amateur owner/handler/member.

An Amateur is anyone who engages in a pursuit for pleasure and never money. One who isn't an expert in conformation handling.

A Professional, conversely, has been paid to show, handle, train, teach or judge AKC conformation events, or one who has earned this award before and so, by virtue of experience gained, has risen to "more-than an amateur" status.

### DAVIS NOVICE CUP

Presented to the Novice handler/owner (anyone has never put an obedience degree on a dog before) for the highest scoring dog from Novice Class. Only the first three (3) qualifying legs will count and will be combined to determine the winner. The purpose of this trophy is to recognize and encourage the beginning trainer. It can never be awarded to the same person twice.

### AM/CAN OTCH BRANDYS GOLDEN NICOLE, AM/CAN TD, WC Top Novice Dog

### WILSON AWARD

Awarded to the owner of any Rescue Golden who earns a title in any of the following areas during the calendar year: Obedience, Rally, Field, Tracking and/or Agility. Earning a CGC will also qualify a dog for the award.

Should more than one dog earn a title in any year, each dog's name will be placed on the plaque and each recipient will retain possession of the plaque for an equal portion of the year.

The award may be won multiple years by the same dog for new titles. Regardless of the number of titles won in a particular year by a dog, the award will be shared equally with any other winners that year. First time winners will get first choice as to when they would like to take possession of the award.

**AM/CAN CH SweetGold’s Winners Circle Breeder/Owner/Handler Trophy**

(Donated by Richard & Kym Anton)

This trophy will be awarded to honor the dedication and outstanding achievement of Breeders who solely handle their own dogs to an AKC Championship title.

By actively participating in Conformation competition, a Breeder gains a higher understanding of breed type, structure and movement as it relates to the AKC Golden Retriever Breed Standard; which translates into building a stronger breeding program. As the sole handler, the Breeder more fully appreciates the importance of training, conditioning, preparation and presentation.

An EGRC Full Member who has fulfilled the club’s trophy eligibility requirements may apply for this trophy in the year an AKC CH title has been earned provided: he/she is the Breeder and Owner of a Golden Retriever which he/she has handled in the ring at all shows where Championship points have been earned.

In the case of dogs Co-Owned and/or Co-Bred by non-members (or ineligible members); only the award applicant who is the actual handler of the dog, must be an EGRC Full Member meeting the trophy eligibility requirements.

Points may be accumulated in previous years; however the EGRC trophy eligibility requirements need only be met by the EGRC Full Member Breeder/Owner/Handler(s) in the year the Championship title is achieved.

This non-competitive “challenge trophy” may be awarded to multiple eligible EGRC members in the same year. In the event of multiple recipients; the names of each Breeder/Owner/Handler(s) and their dog will be engraved in chronological order of Championship title achievement. Possession of the trophy will be shared equally between all recipients for that year.

This trophy can only be awarded once per dog, however there is no limit to the number of times an eligible EGRC member can earn the trophy with various dogs qualifying in the same year.

Since each EGRC member has multiple opportunities to receive this non-competitive award each year, it is intended that this trophy will remain in circulation and will not be eligible for retirement after three awards to the same recipient

Three new EGRC AWARDS have been created from GRCA Plaques earned by ROBERTA ANDERSON in 1970 and 1971

1. The Roberta Anderson award recognizing the Golden Retriever with a **Field Title** that has earned the highest AKC, CKC, or UKC OBEDIENCE SCORE FOR THE YEAR. The Field Title can be from AKC, CKC, or UKC Hunt Tests, Field Trial or GRCA recognized Working Certificate events. Such Field Titles need not be earned in the year for which the member applies.
2. The Roberta Anderson award recognizing the Golden Retriever with a **Tracking Title**, earning the highest AKC, CKC, or UKC Obedience score for the year. The Tracking Title can be earned previously from any level of AKC or CKC tests.
3. The Roberta Anderson award recognizing the Golden Retriever with AKC or CKC **Conformation Points** earning the highest Obedience score from AKC, CKC, or UKC for the year. The Conformation points do not have to be earned in the same year.

Preference each year will be given to an applicant who has not earned the award previously.

Only **ONE** of these Roberta Anderson awards may be earned by the same person each year.
