

Evergreen Golden Retriever Club

Perpetual Trophies, Plaques, Bars, and Certificates 2023 Awards Criteria and Application

Perpetual Trophies

Perpetual Trophies are awarded each year at the Annual Awards Banquet. A perpetual trophy provides a historical record of member accomplishments and remains the permanent property of Evergreen Golden Retriever Club (EGRC). Each trophy is inscribed yearly at the club's expense and may be retained by the winner during the year awarded. Current holders of a Perpetual Trophy are responsible for returning their trophy to the Awards Committee by December 31st of the award year. All Perpetual Trophy winners receive a certificate suitable for framing.

To be eligible to win a perpetual trophy:

- 1) You must be a current EGRC Member (Voting, Non-voting, or Junior) in good standing and must not be in debt to the club
- 2) If not a member for the entire year, only those titles or points earned while eligible will count. Eligibility begins on the date a club officer receives a membership application and a check for dues, providing the applicant has met membership requirements and is later approved by a majority general membership vote. Wins or points prior to that date are not included. This also applies to those members who fail to renew membership by the renewal deadline.
- 3) Voting and Non-voting Members must obtain six (6) participation points with at least one (1) point from each of the three areas (attending General Membership Meetings, attending EGRC Events, and Service to EGRC). Junior Members must obtain three (3) points, one from each area. An EGRC Event is a sponsored activity that is open to the general public, other than a General Meeting. Service to the club is participating as a committee chair or committee member, working at an EGRC event, or being a Board Member or Officer of the club.
- 4) To receive awards, the dog must be owned or co-owned by the eligible EGRC member at the time the achievements were earned.
- 5) The only breed eligible to have its accomplishments recognized is the Golden Retriever.

All Perpetual Trophies have these common Requirements:

- 1) All recipients must meet eligibility requirements and have applications in by the deadline of January 31, 2024.
- 2) All trophies are perpetual rotating awards.
- 3) All trophies are presented at the Annual Award Banquet.
- 4) In the event of a tie, the trophy will be held jointly, each recipient to retain possession an equal portion of the year (exceptions are the trophies which specify how to handle a tie situation in their criteria).
- 5) Current holders of a perpetual Trophy are responsible for returning the trophy to the awards committee by December 31, 2023. If not returned by the deadline, that person

will pay engraving costs for the ensuing year. If the trophy is never returned, the Committee will bill the recipient for the replacement price and all costs incurred.

- 6) Unless otherwise specified, perpetual trophies are for AKC accomplishments only.
- 7) Perpetual trophies may not be retired.
- 8) If a perpetual trophy has not been awarded for ten (10) years, the perpetual trophy may be revised upon the approval of the donor or family member. If no donor or family member is reachable, then the Board and membership may approve a change to a perpetual trophy.

EGRC Plaques, Title Bars, and/or certificates
